

# The Devon Rex Breed Club

congratulates the breeders and owners of all the beautiful Devons shown this past season. There were eleven Regional Winners, twenty-two Grand Champions, ten Grand Premiers and one Distinguished Merit award.

The Devon Rex Breed Club is an international organization affiliated with CFA promoting responsible breeding and ownership following the CFA code of ethics. We share knowledge and communicate ideas through our award winning newsletter. Over the years the DRBC has made substantial donations to the Devon Rex Rescue League, the Winn Foundation, the Ricky Fund, the CFA Legislative Fund and the Orion Foundation. We recently established our own Breeders Assistance Program and support CFA programs utilizing our website.

We welcome as members all those who love the Devon Rex regardless of affiliation in any other clubs or organizations.

Please join us in celebrating the Devon Rex breed at our next Devon Heaven, hosted by Alamo City Cat Club, in San Antonio, TX in October 2009!
